WELCOME TO VIZEBH AGRI

Vizebh Agri Sciences Pvt. Ltd. is committed to delivering premium quality dairy products and healthy nutritious consumer goods that enable enriched lifestyle and comprehensive development. Vizebh Agri is a fertile and prosperous off-shoot from the glorious legacy of Vizebh Group.

ABOUT US

Vizebh Agri Sciences Pvt. Ltd. was brought to life with the name "VIZEE" conceptualized in 2010. Vizee is a robust network of diversified and trusted Vizebh Group. We stand tall and proud on surpassing all the global standard of dairy products, nutrition supplements and quality FMCG goods across the entire brand journey. Owning a fully automated dairy processing plant with the potential of processing 1 Lac Litres of cow milk per day at Karjan, Gujarat, India, is just one of the many fundamentals, Vizee is built on.

Vizee has been carefully nurtured and flourished to build a sustainable prosperity model in order to emerge as a market leader in near future.

Being customer-friendly and quality-critical manufacturing brand, Vizee is all set to take up all challenges and surface as an uncontested winner in the realm of premium quality manufacturing brands.

VISION

To establish healthy and mutually prospering products and services through inspiring innovations and premium quality standards
